

What does your dentist do?

Your dentist looks after teeth.

They

- **check** your teeth every few months.
- give you **treatment** (like cleaning and fillings) when you need them.
- fit false teeth if you need them.
- give you **advice** on looking after your teeth.

Make sure you have a **check-up** at least once a year.

If you do not have a dentist - you can ask your friends or family or ring

Greenwich Dental Hotline
020 8298 6100

You may be able to get **free treatment** if you are on Income Support.

Speak to the Benefits Agency about this.
